

# HOW DEEP CAN THEY DIVE?

On the scale provided, place each air-breathing creature based on how far you think it can dive using just the air in its lungs.

A, B and C are worth 1 point each.  
D, E, F and G are worth 2 points each.

See how many you can get right.

Good luck!

A FREE DIVER

B ARCTIC TERN

C SOOTY ALBATROSS

D ADELIE PENGUIN

E WEDDELL SEAL

F SPERM WHALE

G EMPEROR PENGUIN
